7 Oct 2026 **FASBO-HPM's Florida Education Executives Summit**

INDUSTRY NEWS & TRENDS

Record Student Enrollment at Charter Schools

While Florida's traditional public schools lament steep enrollment declines, a group representing charter schools presents a different tale.

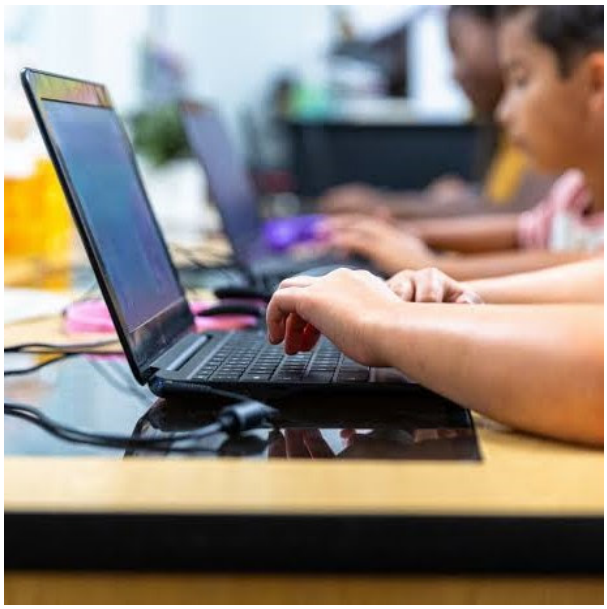

Learn More

Book Bans, Curriculums and Elections

Many districts are plagued by conservative versus progressive influences, and ultimately the students pay the price with changes in curriculum and book bans that are forced by politics.

Learn More

AI in Schools - a Tool or a Replacement?

Florida set to adopt rules governing AI and how it is used in education, binding schools to protect and serve students.
