

Florida Association School Business Officials
Scholarship Requirements and Application

Many Florida school districts are facing significant budget cuts restricting travel. Recognizing the continued need for training and networking, FASBO is offering a limited number of scholarships to cover up to four nights at the conference hotel. (**Membership and Registration fees are not included.**) Responses to the scholarship application are assigned weighted point values and are carefully reviewed by the scholarship committee as part of the evaluation process.

Requirements for Scholarships:

1. Attendee must submit an application prior to July 31.
2. Attendee must attend all general sessions.
3. Attendee must attend two mini-sessions per day.
4. Attendee must attend trade show.
5. Attendee must attend roundtable session.
6. Attendee must maintain membership in the organization for an additional two years.
7. Attendee must complete attendance record for each session by obtaining a signature from the moderator or a FASBO director. The sign-off sheet must be submitted to FASBO at the end of the conference.
8. Failure to submit the attendance record by the end of the conference will result in the loss of the scholarship and require reimbursement of hotel expenses.

Scholarship Application

Name _____ School District _____

Address _____

Position _____

Phone _____ Email _____

How many miles will you be traveling from conference venue? _____

Have you ever attended a FASBO conference? _____
